

# Great Ideas for a Photo Montage

Everyone has hundreds of old family photographs gathering dust in a drawer somewhere. Yet these are the same photos that they couldn't wait to see when they took them in for processing. Remember the fun of looking at them for the first time?

Now all those important moments, events and memories can be brand new again and even better than ever! The photo video montage lets you bring those photos back to life on your own television. And with our special music soundtrack, you will feel the emotion that only these kinds of memories can provide.

Look at all the great ways that your old photos can become NEW again!

## Family History Video

You will see your family history unfold from the early days to the present. Great for passing on your family history from one generation to the next. Also great for reunions or as a gift from one member of the family to another. This is also an inexpensive way of sharing your photo collection with family and friends.

## Biography Video

Surprise that special family member with a photo montage that shows the span of his or her life, from infancy to the present. What a great way to celebrate a birthday, retirement, graduation, etc.

## Love Story Video

If a wedding is coming up, there is no better way to honor the bride and groom than by presenting them with this personal and romantic video that shows them growing up, meeting, and falling in love. Perfect for showing at a rehearsal dinner or wedding reception.

## Our Baby Video

Here's a fabulous way to let all the relatives who are out of town share in the joy that you are feeling as the parents of a newborn!

## Anniversary Celebration Video

A wedding anniversary is a time to reflect on the fun, travels, and events that a couple has shared over the years. Now it all comes together on the anniversary celebration video!

## Our Vacation Video

Vacations are one of life's pleasures that we want to remember for a long time. Let us turn your old vacation photos into a fast paced video that will make you feel like you are there again!

## **Tribute Video**

Many people touch our lives. Some of them unfortunately are no longer with us. The tribute video honors the life of a special person by showing him or her as he or she is remembered, with the family and friends that were an important part of their life. This video can be a touching tribute at the memorial service.

There are many other themes that can be used for your video montage. Just let us know what you desire!

And remember, with the holidays coming up, a video montage makes a GREAT GIFT! (Please order early).

A great gift for anniversaries, birthdays, Christmas, a retirement or just to give to your grandchildren! Transfer your old 8mm or Super 8 films to video. We offer the addition of titles and music backgrounds. Preserve your old memories and family history!
